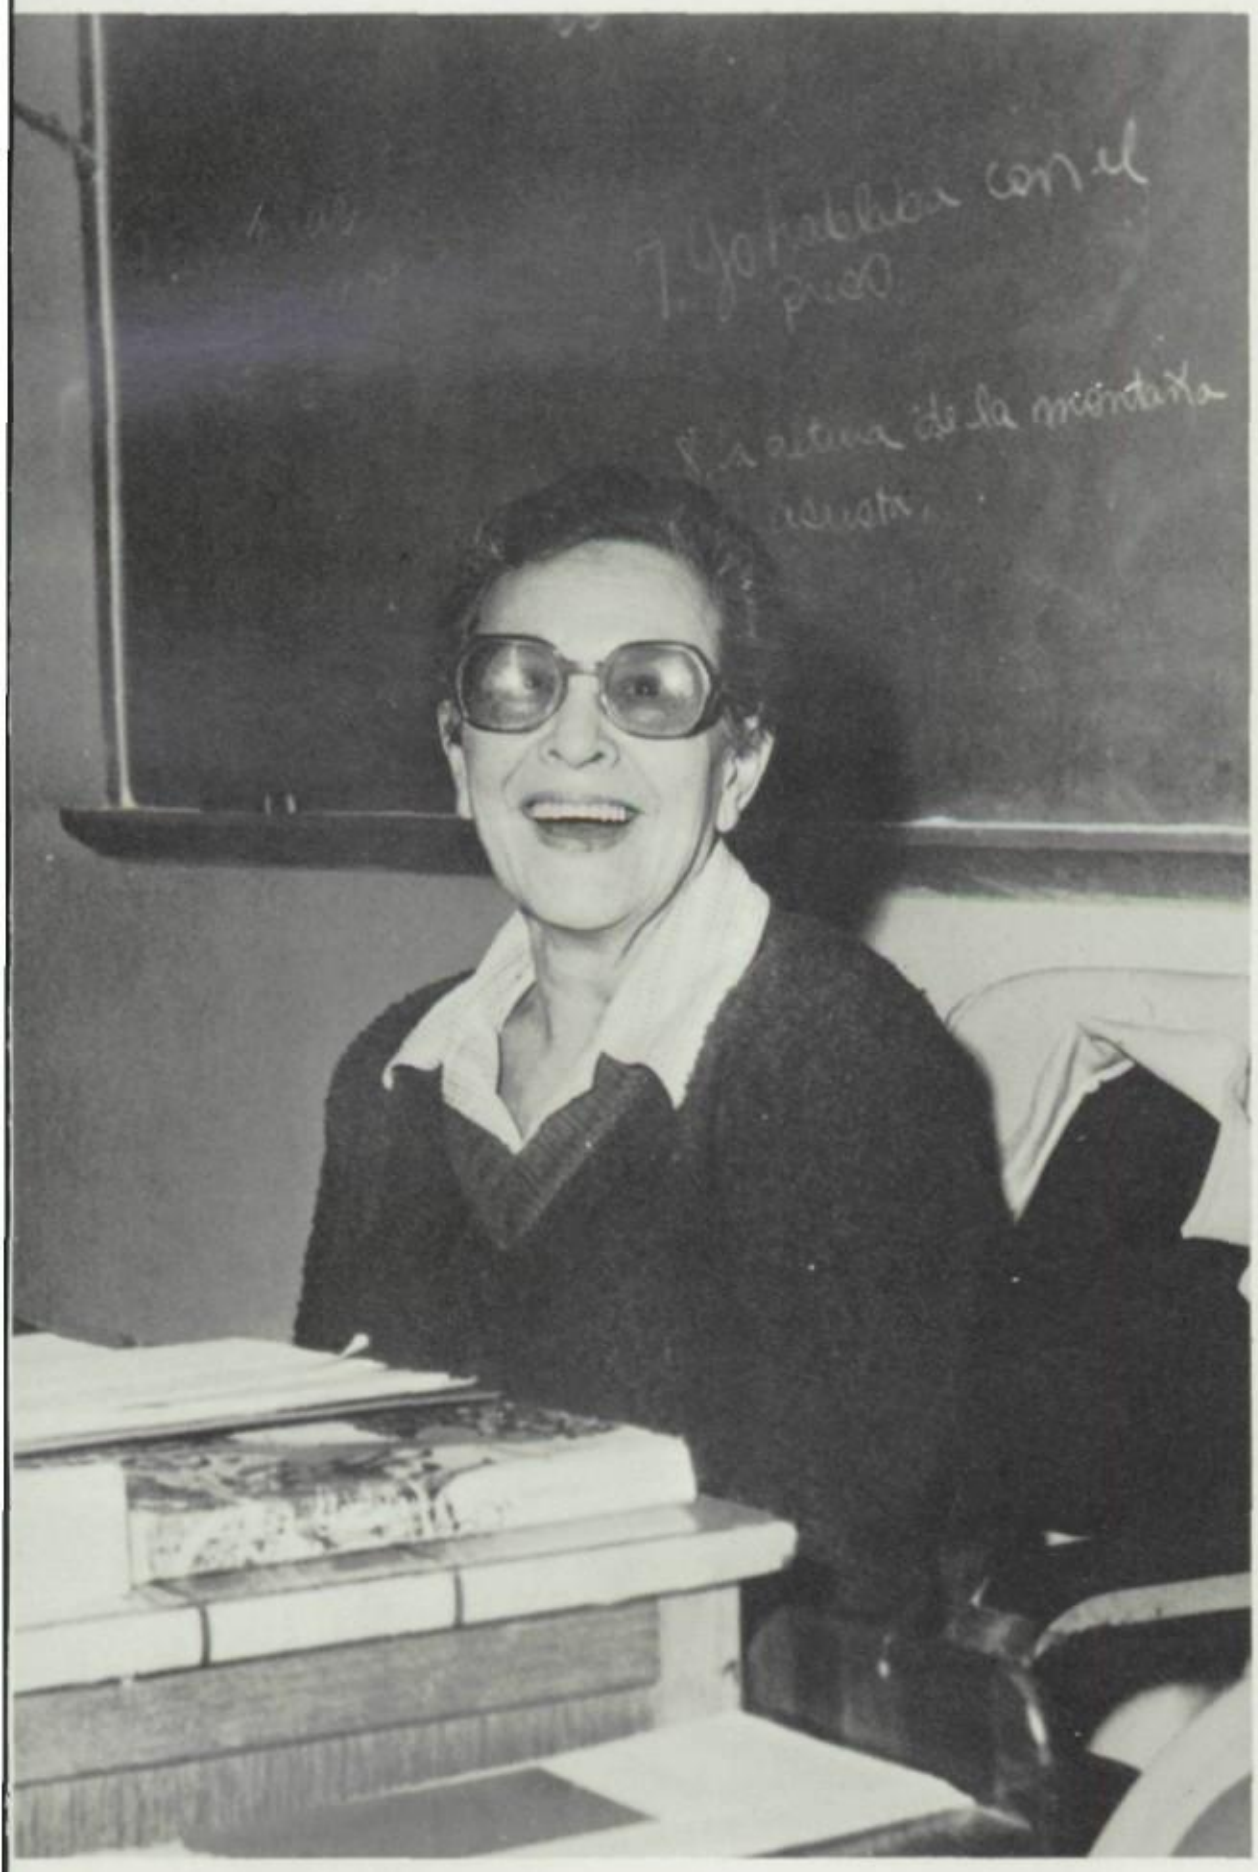
Sister Christine Marian, R.S.H.M.

Sr. Christine was born in New York City. As a young woman she realized she had a vocation to serve God in a very special way. She joined the religious order of The Sacred Heart of Mary. Sister Christine has been "around the world" serving God as an educator. For example, she has taught in France and Italy and in Columbia. When Sister came to Father Lopez in 1976, she brought with her both administrative experience and teaching experience in Math, Spanish, and Social Studies. She currently serves as the Assistant Principal for Academic Affairs. Sister makes herself readily available to both students and faculty, and is always willing to help in any way she can. The door of her office is always open and to us it symbolizes an open and constantly loving Christian heart. Thank you Sister for always being there .....

Career

Salutes



Mrs. Raisa Leorza

Mrs. Leorza was born in Cuba in 1917. She was graduated from the University of Havana and she taught English until she was forced to leave her homeland in 1963 during the severe political unrest in Cuba. Mrs. Leorza came to Father Lopez in 1965. She earned some needed credits at Bethune-Cookman and she began teaching Spanish. That was seventeen years ago. When we speak of Raisa Leorza, we cannot help but use words like dedication, courage and faith. She attributes much to her husband Luis—and smiles when she remembers they have been married 40 years. When graduates of Father Lopez come back to see the "old school" you can be sure that a stop to see Mrs. Leorza is first on their list. During her teaching career she has personally touched thousands of students who had an opportunity to meet a true Christian educator.
